

Viewlexx™ Presents:  
The Big Leather Record Bag (V-021)

-Specially hand manufactured in The Netherlands by Roy Fritz Leatherworks  
For Viewlexx™.-

Hi quality 'bag leather' sewed together with industrial strength nylon thread  
guarantees this bag for a long time.

It holds up to 70 records or less if you also want to carry other stuff such as  
a laptop and/or clothes for a heavy DJ or holiday weekend.

(A special Viewlexx™ leather headphone bag is in the making, to be attached  
to the carrying belt.)

Bottom of the bag has been reinforced with wood to keep it all in shape and  
to guarantee extra strenght.

Inside walls are made out of special rubber to keep your records comfy and  
protected.

Special Viewlexx™ print on the inside cover.

Weight 3.6 kilograms

Available with or without white Viewlexx™ logo on front.

Price: 499,00 Euro

Allow 3 to 5 weeks for delivery.

1 year guarantee on all sowed parts.

Note: Leather is a product of nature. Although we used the best leather  
available you can always find little irregularities in it.

We advise you to use the bag to it's fullest extend, it will become even more  
beautiful throughout the years.

Just don't forget to treat it with leather care every once a while.
